DATA ENTHUSIAST

South Jakarta | shireenmalika.q@gmail.com | +62 81288805464 | [LinkedIn](#)

SUMMARY

Data Analyst with nearly three years of experience in e-commerce, specializing in live shopping and short-video commerce. Strong in hands-on data analysis and visualization, while also leading and mentoring Data Analyst interns to ensure high-quality outputs. Drove data-informed optimization initiatives that contributed to a 40% increase in GMV per hour from Jan–Sep 2025 vs 2024. RevoU Full-Stack Data Analytics graduate with strong analytical thinking, detail-oriented execution, and the ability to communicate actionable insights clearly to both technical and non-technical stakeholders.

EXPERIENCE

Lumi re, Private Teacher | Freelance (Onsite)

Nov 2025 – Present

- Taught Math, Science, and English to elementary and secondary students, with basic Excel instruction for professionals.

Live and Go, EMTEK Group

Data Analyst | Full Time (Hybrid)

Jul 2023 – Oct 2025

- Analyzed Shopee and TikTok data to support business growth and campaign performance optimization.
- Delivered weekly, monthly, and annual performance reports for cross-functional teams, including finance, sales, marketing, creative, and operations.
- Built and managed end-to-end reporting processes, ensuring efficient, accurate, and scalable data workflows.
- Monitored key live commerce metrics (live duration, engagement, conversion rate) to identify performance improvement opportunities.
- Collaborated with major brands such as HP Indonesia, Lemonilo, Bukalapak, and Unilever to deliver actionable insights.
- Led and mentored data analyst interns, supporting reporting execution and data quality.

Live Streaming Expert | Apprenticeships (Hybrid)

Apr – Jun 2023

- Analyzed TikTok Live and short-video performance to support creative and marketing optimization.
- Prepared weekly performance reports and improvement recommendations for content and sales initiatives.
- Maintained dashboards and monitored TikTok Shop trends during campaign periods.

RevoU, Data Analyst Associate | Freelance (Remote)

Jun – Sep 2023

- Performed hands-on data analysis for fintech-related projects, translating data into actionable insights for stakeholders.
